- Minutes of previous meeting read and agreed
- Matters Arising – Decorating of hall exterior, including replacing toilet window. Up to date quote needed and if OK try and get work completed before the winter. Put decorating etc on agenda for next meeting.
- Flower Show – overall profit from this year's show £2814.48p. Breakdown of profit discussed. Suggested we add ice cream to catering profit not as side show. (Check ice cream expenses with Andrew)

Flower show entries, prizes made a loss but this is covered by the overall profit. Great praise received from one lady with disabled child. Parking space made available for wheelchair and special needs met at lunch in the hall. Congratulations to Karen and her team – superb results with the catering

- Dog Agility – Ipswich Vet Centre filled in at almost the last minute as we had been let down. Display seemed to go well and they would like to come again. However they cannot confirm this until January which means we can't include in the schedule.
- Car Parking – no problems
- Classic Cars – interesting turnout. ? any changes for next year.
- Raffle - went well, always need more sellers.
- Schedule – changes discussed. Some people don't understand classes so suggest combine open and closed. Marketing needed to encourage more entries. AD willing to give presentation to any interested groups. Facebook – SP will look into this. Social media seems to be the way forward. Any new ideas welcome and to be discussed at next general meeting.
- Next meeting is the AGM so we will need nominations from all village organisations for the committee. AB to contact with replies by 1st week in November.

Next meeting AGM Wednesday November 16th.
